

American Society of Anesthesiologists Plan Summary

Accidental death and dismemberment (AD&D) insurance is designed to provide you financial protection in the event of a significant injury or death due to an accident. This extra protection can help provide financial security should a sudden, covered accident take your life or cause you serious harm.

Eligibility

All members¹ of the American Society of Anesthesiologists in good standing under the age of 60 at the time of enrollment, their spouse/domestic partners under the age of 60 and dependent children² from birth to under the age of 26. Eligible spouse includes domestic partners. Domestic partner includes your registered domestic partner if you and your domestic partner are registered as domestic partners, civil union partners or reciprocal beneficiaries with a government agency or office where such registration is available.

Maximum benefit amount for voluntary AD&D

	Maximum Benefit	Minimum Benefit	Increments
Under the age of 60	\$500,000 ³	\$10,000 ³	\$10,000 increments

The amount of insurance applicable to Family coverage is expressed as a percentage of the amount the American Society of Anesthesiologists member selects:

- Spouse/domestic partner and eligible child or children² — Spouse/domestic partner: 60% of the member's amount³; Each child: 20% of the member's amount³
- Spouse/domestic partner and no eligible dependent child or children² — Spouse/domestic partner: 70% of member's amount³
- No spouse/domestic partner but dependent children² — Each child: 25% of member's amount³

Is a medical exam required?

No. Your acceptance is **guaranteed**⁵! There is no medical exam and no medical questions; you may apply quickly and easily.

How long can my coverage continue?

Your coverage can continue as long you pay your premium when due, remain a member, have not reached age 80, remain in an eligible class, the insurance continues for your class, the participating association continues to participate in the trust and the policy remains in force. Please see the certificate of insurance for details.

Are there any exclusions to my coverage?

Yes. This policy will not pay benefits for any loss caused by:

1. physical or mental illness or infirmity, or the diagnosis or treatment of such illness or infirmity;
2. infection, other than infection occurring in an external accidental wound or from food poisoning;
3. suicide or attempted suicide In Missouri, such exclusion only applies while the person is sane;
4. intentionally self-inflicted injury;
5. service in the armed forces of any country or international authority. However, service in reserve forces does not constitute service in the armed forces, unless in connection with such reserve service an individual is on active military duty as determined by the applicable military authority other than weekend or summer training. For purposes of this provision reserve forces are defined as reserve forces of any branch of the military of the United States or of any other country or international authority, including but not limited to the National Guard of the United States or the national guard of any other country;
6. injuries received while traveling by air (except as specifically provided) / any incident related to:
 - travel in an aircraft as a pilot, crew member, flight student or while acting in any capacity other than as a passenger;
 - travel in an aircraft for the purpose of parachuting or otherwise exiting from such aircraft while it is in flight;
 - parachuting or otherwise exiting from an aircraft while such aircraft is in flight, except for self-preservation;
 - travel in an aircraft or device used:
 - for testing or experimental purposes;

- by or for any military authority; or
- for travel or designed for travel beyond the earth's atmosphere;
- 7. committing or attempting to commit a felony;
- 8. operating a vehicle while intoxicated;
- 9. the voluntary intake or use by any means of:
 - any drug, medication or sedative, unless it is:
 - taken or used as prescribed by a Physician; or
 - an "over the counter" drug, medication or sedative taken as directed;
 - alcohol in combination with any drug, medication, or sedative; or
 - poison, gas, or fumes;
- 10. war, whether declared or undeclared; or
- 11. act of war, insurrection, rebellion or active participation in a riot.

Is there an exclusion for intoxication?

Yes. This policy will not pay benefits for any loss if the injured party is intoxicated at the time of the incident and is the operator of a vehicle or other device involved in the incident. Intoxicated means that the injured person's blood alcohol level met or exceeded the level that creates a legal presumption of intoxication under the laws of the jurisdiction in which the incident occurred.
